FIFTH THRU EIGHTH GRADES ONLY

1 5TH-8TH Grade Solar powered calculator (log/trig functions not necessary) -- TI-34 II calculator with logarithms/trig functions

All students will need a personal set of over-the-ear headphones or earbuds that will remain in school. In primary grades we recommend over-the-ear headphones. The earphones/earbuds must be stored in a plastic bag with the student’s name and classroom # on them.

Students in Grades 5-8 will need a protective sleeve for the Chromebook they will be issued. One style of sleeve will be available for purchase during Book Fee Day. Students may decide to purchase a different style protective cover if they choose. Just be sure that a LENOVO N22 Chromebook will fit. We have seen prices ranging from about \$12 to over \$50 for more sophisticated models. The style we will offer will be priced at between \$12-\$15.
